

## SO WHAT DO THE HOMELESS NEED

Well it's obvious, they need a **"HOME"**, and **"YOU"** have it in your hands by **"COMPASSION"** to give that to the **"HOMELESS"**. You Say How ?

Well, you know that old **"CAMPER"** or **"TRAILOR"** or **"RV"** that you have sitting in your side or back yard. Well believe me, it is a **"PALACE"** to the homeless. I know, because I lived in a 8' camper, that I paid \$200 for, for 22 months, after a man went bankrupt on me, and tied my properties up in court. You need to remember, there are lots of circumstances that can happen to you tomorrow, or even before today is done, that you could become financially unable to pay your own way. The Homeless have reasons why they are homeless, and the circumstances very greatly. Some are like mine, others are from **"HURTS"**, that they are currently unable to get past, others from divorce, or job lose and of course from poor decisions of alcohol and drug abuse and incarceration. But whatever the cause, the **"IMMEDIATE SOLUTION"** to homelessness is **"YOUR COMPASSION"**. So Step Up, and allow a Homeless Person or a Homeless Family to use that empty RV, that is doing, no good thing. And after the compassion, comes **"COMITTMENT"**, for there will be problems, of lies and deceit, of theft, of angers, of domestics, and of drugs and alcohol. And you will have to write the rules and draw the boundary lines of your patience, as you did with your own children, **"For all have sinned, and come short of the glory of God"** ( Romans 3:23 ). And perhaps through time with your **"PATIENCE"** and **"FORGIVENESS"**, some of the Homeless will find their way **HOME** to the **FATHER**, and back to living on their own in their own place. But think not, that the change in their lives, will come in a day or two, or even a week or month or two. But allow patience and forgiveness to have their perfect way in you, and remember your Compassion and Comittment, such that you; **Beareth all Things, Believeth all Things, Hopeth all Things, Endureth all Things. CHARITY NEVER FAILETH,** ( 1<sup>st</sup> Corinthians 13:7 and 8 )

**PS: But to the neighbors, of these great people, who have Stepped Up to help the Homeless, I say "Quiet Yourself", for they Work a Work of God, and you a Work of Selfishness.**
